5. In claim 3, line 25 delete "hole" and insert therein - - opening - -.
6. Claim 3 is allowed.

### REASONS FOR ALLOWANCE

7. The following is an examiner's statement of reasons for allowance:

The claim is allowed for the reasons given in paragraph 7 of the office action mailed 10/5/04. In summary, the prior art of record fails to teach or suggest manufacturing a zipper comprising punching openings at an inner lateral side of a pair of zipper strips each having a connecting strip wherein the openings are bounded at the outer, upper and lower sides by the zipper strip and at the inner side by the connecting strip and then molding upper and lower engaging pieces on the zipper strips wherein the lower engaging pieces protrude into the openings.

It is noted the above changes in the claims are made solely to correct antecedent basis problems and do not affect the scope of the claim. Applicant authorized the Examiner to make any changes to the claim to conform to proper U.S. Patent practice in the current after final amendment. The first change regarding the lower engaging pieces is clearly supported by Figure 10, and the second and third changes regarding the openings are clearly supported in Figure 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
